CONNOISSEURS' GUIDE
TO CALIFORNIA WINE

“One of the most interesting of the frontal, fresh, and bright Sauvignon Blancs, this one smacks of new mown grasses and Crenshaw melons in its fruity aromas...with ripe, bright, deeply-cast flavors. It may show greater flesh than most of its peers, but depth and brisk acids keep it wholly on track and make it very fine mate to crab legs served with drawn butter.” **AUGUST 2007**
